

*Three Times True*  
ALISTAIR GENTRY

**Three Times True - Book Launch**  
**Wednesday 15 August, 5.30-7.30pm**  
**Talbot Rice Gallery,**  
**University of Edinburgh, Old College, South Bridge, Edinburgh**

The ESRC Genomics Policy and Research Forum and the Talbot Rice Gallery are delighted to invite you to a book launch event for the Forum's artist in residence, Alistair Gentry.

*Three Times True was an ambitious triple screen video installation for the University of Edinburgh's Old College Quad inspired by the current and potential social effects of genomic science. The work was researched and made as part of Alistair's residency with the ESRC Genomics Forum at the University of Edinburgh. The project was developed in collaboration with Talbot Rice Gallery. Through his book of the same name, with images from the installation and new interactive texts, Alistair Gentry offers a unique and quirky perspective on the implications of genetic technologies.*

RSVP to [genomics.forum@ed.ac.uk](mailto:genomics.forum@ed.ac.uk)/ 0131 651 4747 by Friday 10 August.
